# Abstract

Poverty encompasses over 70% of the globe, the remainder 29% are middle class, WealthSharingSystems .com was designed to increase the global 1% population of wealth. Our technology properly used will produce more millionaires globally in one year than a decade globally all in Cryptocurrencies, creating a new global crypto economy.

With the emergence of Blockchain technology and crypto currencies, new possibilities for the way transactions (both data and financial) are handled online emerged globally.

With WealthSharingSystems.com utilizes Cryptocurrencies for in-game MoneyPools in order to provably fair and transparently create new wealth. Wealth Sharing Systems (ETHWSS Token) is a dedicated crypto currency based on the Ethereum Blockchain that serves as a foundation for our technology MoneyPools, unlocking new wealth in the global community as well as it constitutes an ingenious system for changing the crypto currency community. ETHWSS Token will be used inside the Wealth Sharing Systems Community. With ETHWSS, we are creating new wealth efficiency, provably fair and transparent. Our technology creates life changing events and can be used globally.

**Our Pre-Sale of tokens will go to finance the Initial Exchange Offering (IEO) listing on Korean exchange [www.chainx.kr](http://www.chainx.kr) we also have the largest promotional team in Korea backing this project. [www.ICOPantera.kr](http://www.ICOPantera.kr) Early token holders will benefit from the liquidity event, plus enjoy a discount on tokens and dividends on pre-IEO tokens sold for three years.**

Join us in revolutionizing economics by helping us to bring the worlds of digital currency and wealth creation together.
